By providing this information both Polyflor Canada Inc. and Polyflor Ltd do not imply any equivalence between each of the different manufacturer's products, or that other products would prove unsatisfactory.

When more than one adhesive is listed selection should be based upon suitability to the installation environment.

Application of the named adhesives must be actioned in strict accordance with the relevant manufacturer's instructions, which may include the application of a primer in certain situations.

Site Conditions must be as described under ASTM F 710 or BS8203:2001 as appropriate.

For information regarding handling and installation and maintenance consult Polyflor Customer Technical Services on **1 905 364 3000** or email **sales@polyflor.ca**
