

LE CENTRE DENTAIRE

CASE STUDY

Expona Flow PUR
Painted Chevron
9828

Country:
Ville St-Laurent, Québec

High design Expona Flow PUR sheet vinyl flooring from Polyflor was used for a complete refurbishment of Le Centre Dentaire in Ville St Laurent, Québec.

Market Segment:
Dental

Approximately of 209m2 of Expona Flow flooring in the Painted Chevron design was installed by flooring contractors Excel Sol in the dental practice of endodontist Dr. Chafic Safi. Chosen by interior designers Influence Design of Laval, the flooring was fitted throughout the practice, in the reception area, treatment rooms and circulation areas. The Painted Chevron design recreates the look of white wood planks laid in a dramatic chevron pattern.

Space:
Dental Office

Developed to provide a broad range of engaging and innovative design options, Expona Flow is suitable for use in a range of heavy commercial environments such as the healthcare industry. Manufactured in the UK, the collection features 50 wood, stone and abstract effect designs.
